ELECTRONIC ANNUAL PRACTISING CERTIFICATE

Issued By : DIRECTDEP

PLEASE TAKE NOTE OF THE FOLLOWING:

1. This Annual Practising Certificate must be retained. Duplicate certificates will not be issued.
2. A practitioner is required by law to advise the Council within 30 days of any change to his/her name, address or other contact details. You are urged to advise the Council immediately of any such change - to ensure that any correspondence or messages from the Council will reach you and that they will bear your correct details.
3. Your annual fee for the calendar year 2027 must be received by the Council, either at the SANC counter or in its bank account before or on 31 December 2026 (the **DUE DATE**). If you pay by electronic transfer, and you pay outside normal banking hours, please take into account the rules applied by your banking institution regarding the date on which your payment will be transferred into the Council's bank account! You may pay the annual fee any day between 1 July 2026 and 31 December 2026. However, you are advised to pay EARLY (during the payment period given above), and NOT to leave payment for the last minute. By paying EARLY, you will avoid the many problems associated with making a payment at year end.
4. If you do NOT intend to practise next year, you are STRONGLY ADVISED to request that your name be removed from the register (voluntary removal). This will avoid the penalty fees applicable to practitioners who are removed for failure to pay the annual fee on time. Your written request for voluntary removal (on the correct form available from the Council) should reach the Council offices prior to the **DUE DATE** mentioned above.
5. Your name will be removed from the register on 1 January 2027, without any prior notice, if your annual fee for the calendar year 2027 has not been received and processed by the Council before or on the **DUE DATE** mentioned above. Following such a removal, you will only be restored to the register upon submission of an official application to be restored to the register form accompanied by the annual and restoration fees in effect at the time when your application is received.
6. If your name has been removed from the register and you then practise nursing for gain in any capacity whatsoever, you will be guilty of an offence under the Nursing Act, 2005.
7. The Council is not required to send out a notice or account for the annual fee. It is your responsibility to pay the annual fee, to pay it within the prescribed time, and to pay it without any notice.
8. The annual fees are subject to increase and the arrangements given here are subject to change. Please confirm with the Council that you are paying the correct annual fee amount and that you are paying it before or on the correct **DUE DATE.** These details can be checked on the Council website: **www.sanc.co.za**
9. The abbreviation **M&S** (when used on this certificate) stands for **Medical and Surgical Nursing Science.**
10. A Tax Invoice will be issued to a registered VAT Vendor who pays the annual fee. This must be requested in writing and must include the vendor's VAT registration number.
